## EWBC Photography Pass

A yearly pass for  
Portrait Photographers.

# EWBC Photography Pass for Portrait Photographers

The Edinburg Scenic Wetlands & World Birding Center (EWBC) offers an opportunity for Portrait Photographers to capture life's special moments for their clients, utilizing the beautiful backdrop of nature.

The EWBC grounds offer many scenic vistas, including our ponds, water features, trails, native plantings, and outdoor structures. Normally, photographers and their clients need to pay entrance fees to access our site, but we also offer a special discount pass.

## Photography Pass

For portrait photographers who wish to utilize our site multiple times a year, we offer the Photography Pass. For \$75 a year, the Photography Pass includes:

- Access to our grounds for photography sessions, anytime during the membership year (12 mos), during regular business hours.
- Free entry for the photographer and up to 15 clients per photo session.
- No limit on Photo Shoots.

## After Hours Photo Shoot

The Photography Pass also gives the holder an opportunity of reserving our site for an after-hours photo shoot (Tues-Sat), up to 2 hours after closing, at \$50 an hour. A two week reservation is required. Last minute requests will NOT be accommodated.

## Photography Pass vs. Family Membership

The Photography Pass is different than our EWBC Family Membership Passport. The Family Membership Passport (\$25 a year) gives up to 8 family members free entry to our site anytime during the membership year (13 mos, June–July), discounts on merchandise, and free or reduced rates for programs and events. Photography Pass holders will not receive these additional

benefits unless they also purchase the Family Membership Passport.

EWBC Family Membership Passport holders are also welcome to utilize our site for Photography sessions, but must pay for the Photographer, non-family members and/or additional people above the 8 person limit.

## Ground Rules

The purpose of the Photography Pass is to make the visit as pleasant as possible for

our patrons and guests. Therefore we ask the Photographer and his clients to

follow the below stated rules.

- **Stay on the Trails & Lawns.** The mulch is home to plants and animals, especially biting insects. Straying off the trails and into the vegetation risks damaging the plants, killing or maiming wildlife, and risks infesting your clients with Chiggers and other biting pests.
- **Stay away from fenced off areas.** Areas that are fenced off are designated wildlife areas in need of protection. Please stay away to prevent the harassment of animals.
- **Ask permission to bring furniture or other items.** If permission is not asked and granted ahead of time, the items will not be allowed in.
- **Leave at stated closing times.**
- **Check in at Fee Booth or Gift Shop at each visit, with total number of clients for the photo shoot.** More than 15 are allowed at any one visit, but extra patrons will be charged regular entrance fees.

*Failure to follow site rules may result in a photographer having their pass revoked.*
